

A European Network

22nd CRC co-production meeting

The C.R.C will be holding a new co-production meeting on **17 May, 2011 at the 64th Edition of the Cannes International Film Festival.**

Here at the Madrid Film Commission we believe that this kind of activity boosts the development of the audiovisual industry of the Madrid Region and that of the other European regions forming part of this network. International co-production is increasingly becoming an essential way of funding feature film projects.

These events are organized jointly by the Madrid Film Commission and the other members of this European network, namely the Paris - Île de France Film Commission, the Berlin - Brandenburg Film Commission and the Rome - Lazio Film Commission.

Any companies interested in attending the above mentioned meeting in May should contact Samuel Castro either by calling **91 518 65 22** or at the following e-mail address: samuel.castro@madridfilmcommission.com
